

Arkansas Construction Trades Academy Facility | Directions

Arkansas Chapter

In 2017, ABC Arkansas purchased two new buildings in North Little Rock. The front building will be renovated during the first half of 2018 and will be the new office for the association after its completion. The **back** building is now home to the Arkansas Construction Trades Academy, the official school affiliated with ABC Arkansas. For now, ABC staff will remain in their current office (22 Collins Industrial Place, North Little Rock, AR 72113).
