

FALL PROTECTION

Competent Person Training

Friday, September 24, 2021

8:00 a.m. to 5:00 p.m.

Arkansas Construction

Trades Academy

6 Collins Industrial Place

North Little Rock, AR 72113 (Back Building)

This training provides a classroom presentation, hands-on practice and a written test and is intended for workers who are required to review and modify their fall protection solutions on a routine basis. Typical at-height duties may include working on a roof, from a ladder, in an aerial lift, or on other structures.

Lunch and materials will be provided.
