

# Jean Pamphile Ndorimana Kunda

3101 South Taylor St., Little Rock, AR 72204 • (501) 517-8874 • jxndorimana@ualr.edu

## Personal Profile

- Rwanda Presidential Scholar
- An optimistic person who enjoys working hard and motivated to improve

## Education

*Fall 2013 - Present*

**University of Arkansas at Little Rock**, Little Rock, AR

- Major: Systems Engineering – Mechanical
- Minor: Mathematics
- GPA: 3.87

*Summer 2013*

**University of Arkansas at Little Rock**, Little Rock, AR

- Intensive English Learning Program

## Skills & Abilities

- Knowledgeable in C++ programming language and MATLAB
- Knowledgeable in SolidWorks

## Relevant Coursework

- Calculus I
- Introduction to Systems Engineering
- Calculus II
- Physics Science & Engineering I
- Physics Science & Engineering I Lab
- Introduction to Mechanical Engineering
- C/C++ Programming For Engineering and Science
- Computer Engineering Lab
- Manufacturing Processes Laboratory
- Linear Algebra
- Introduction to Differential Equations
- Physics Science & Engineering II
- Physics Science & Engineering II Lab
- Circuits and Systems
- Circuits and Systems Lab

## Currently Taking

- Calculus III
- Tech Writing
- Solid Modeling & Design
- Engineering Statics
- Engineering Economy
- Probability Theory and Random Signals

## Work History

*October 2014 - Present*

UALR Sodexo

- Food server

*Summer 2014*

QuadW Missional Internship

- Assisted in running summer camp for children
- Volunteer work
